Bermuda Triangle

Journey Escape

DATA AGE

**UP
TO NOW
YOU'VE HAD IT
EASY!**

This is your invitation to discover the many worlds of DATA AGE™.

You are a voyager on the DATA AGE™ mindship on a journey through space, time and imagination—and you are at the controls. Plunging toward you are myriad worlds of fun-filled excitement, challenge and intrigue.

Sidestep into the zany world of Mr. Bill of Saturday Night Live fame, or push your control forward and find yourself probing the bottom of the ocean within the terrifying Bermuda Triangle. Was it something in those strange undersea artifacts that projected you back in time to a heart pounding confrontation with the fiendish monster of Dr. Frankenstein?

If all this proves too much for you, the Journey Escape vehicle is waiting, but don't jump aboard unless you are ready to take on the new challenge of being a rock superstar.

All this and much more is waiting for you in the many new and exciting worlds of DATA AGE™.

*Macabre Mission
Beyond The Grave*

One or Two Players

FRANKENSTEIN'S MONSTER

In the cold dark night, you make your way through the ghoulish castle of Dr. Frankenstein. There you must prevent him from completing his creation.

*Your only chance is to gather stones from the dungeon and bring them to the tower where you must build a barricade around **FRANKENSTEIN'S MONSTER** before he has accumulated enough energy to come alive. To succeed you will have to move fast, avoid-*

*ing **POISONOUS SPIDERS**, **VAMPIRE BATS** and **TERRIFYING GHOSTS**. But most important of all, beware of the trapdoors that lead to the **DEADLY POOL OF ACID**.*

***FRANKENSTEIN'S MONSTER** offers some totally unique game play—a heart pounding experience that promises to keep you on the edge of your seat.*

This may well be the best game ever!

BERMUDA TRIANGLE

Survival At 1000 Fathoms

One or Two Players

BERMUDA TRIANGLE

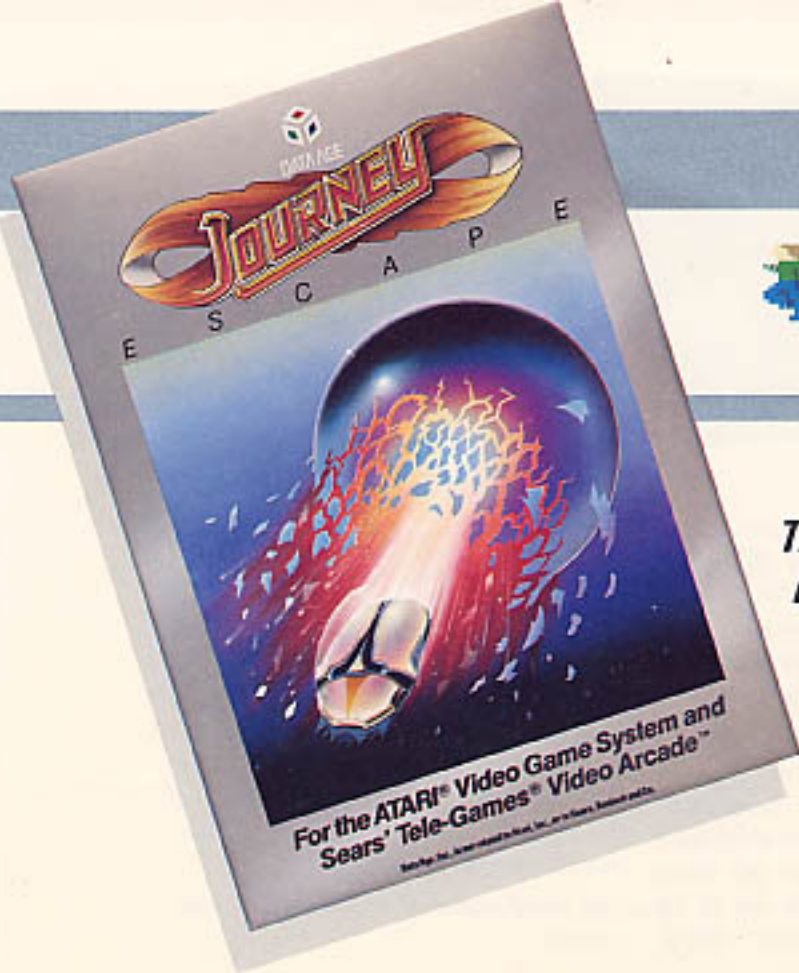

*In a mysterious body of water near the Atlantic Seacoast, known as the **BERMUDA TRIANGLE**, an unusual number of planes and ships have vanished under very bizarre circumstances. To this day the **BERMUDA TRIANGLE** remains an unsolved mystery... or is it?*

*In your mini-sub you discover a spectacular city at the bottom of the ocean. Its machinery still churns, yet there are no signs of intelligent life. Suddenly you spot several odd looking artifacts. Could they hold the key to the **BERMUDA TRIANGLE** mystery? Maybe.*

But one thing is certain, they must be extremely valuable.

*Your objective is to collect as many of these artifacts as possible and deliver them to your research ship on the surface. But watch out! From out of nowhere, deadly laser beams rip past your vessel. Survive them and you will still have to face **GIANT SQUID**, **MAN-EATING SHARKS**, **EXPLOSIVE MINES** and **AQUATIC DRONES**, all determined to prevent you from removing these treasures.*

Fast paced excitement to challenge even the experts.

*The World's First
Rock 'n Roll Video Game*

One or Two Players

JOURNEY ESCAPE™

You're on the road with JOURNEY, one of the world's hottest rock groups. A spectacular performance has just ended, and you have just made \$50,000 in concert cash. Now JOURNEY is counting on you to guide each band member past hordes of LOVE CRAZED GROUPIES, SNEAKY PHOTOGRAPHERS, and SHIFTY-EYED PROMOTERS to the safety of the JOURNEY ESCAPE VEHICLE in time to make the next concert.

Contact any one of these characters and they will not only slow you down, but they will also take some of your hard earned money. Your MIGHTY MANAGER and LOYAL ROADIES are there to help, but the escape is up to you.

Aside from outstanding game play and graphics, this game also includes a computer animation of the famous "escape-vehicle-burst" and a musical parody of two JOURNEY hit tunes.

**COMING
SOON!**

SMOKEY BEAR™

Help Smokey prevent forest fires.
(Children's educational game, ages 4-8)

MR. BILL'S NEIGHBORHOOD™
Excitement and laughs around every corner.
